### MINING AND OIL NEWS.

#### WEATHERBY STRIKE AT MOGOLLON RICH

Samples of the Ore Sent to El Paso Fair and Exposition.

Silver City, N. M., Oct. 28.—Report of the rich gold strike made by W. J. Weatherby, on claims owned by him at Mogollon, has been verified by mining men who have arrived here from that camp. Samples of the rich ore were brought in and will be placed with the Mogollon exhibit at the El Paso Fair, which will be in charge of Col. R. S. Allen, one of the best known mining men of the southwest. Col. Allen has gone to El Paso and will spare no pains in seeing that the wonderful mining resources of the Mogollon and Cooney districts are fully exploited during fair week. The discovery opens up a considerable body of ore and careful assays of the high grade runs \$1500 in gold. This is considered the richest strike yet made in this camp and all indications point to the permanency of the vein and the large extent of the ore body.

**Plan to Wash Gold Dirt.**  
Messrs. Donohue and Pascoe have ordered sluice boxes and a modern placer washing equipment for their placer claims on Bear creek, about 14 miles north of the city, where they expect to wash gold dirt for the coming winter months. There is plenty of water at this season of the year and a

#### \$3.50 Recipe Cures Weak Men—FREE

Send Name and Address Today—You Can Have It Free and Be Strong and Vigorous.

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, failing memory and lame back, brought on by excessive, unnatural drainage of the system of youth, that has cured so many weak and nervous men right in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription free of charge, in a plain, ordinary sealed envelope to any man who will write me for it.

This prescription comes from a physician who has made a special study of men and I am convinced it is the surest acting combination for the cure of deficient manhood and vigor failure ever put together. I think I owe it to my fellow man to send them a copy in confidence so that any man anywhere who is weak and discouraged with repeated failures may stop struggling himself with harmful patent medicines, secure what I believe is the quickest acting restorative, upbuilding, SPOT TOUCHING remedy ever devised, and so cure himself at home quietly and quickly. Just drop me a line like this: Dr. A. E. Robinson, 4000 Luck Building, Detroit, Mich., and I will send you a copy of this splendid recipe in a plain ordinary envelope free of charge. A great many doctors would charge \$2.00 to \$5.00 for merely writing out a prescription like this—but I send it entirely free.

#### USES SPOON HANDLE TO CUT HIS THROAT

But Smith's Effort Resulted Only in Loss of Some Blood.

Following an unsuccessful attempt to commit suicide by scratching his throat with a spoon handle, Robert Smith, a prisoner at the city jail, was removed to the county hospital Saturday morning.

Smith, who was arrested a week ago on a charge of drunkenness, was serving out a fine. He has been quite nervous and Saturday morning secured a piece of a spoon handle. He succeeded in stabbing himself in the neck, causing the loss of considerable blood.

#### PLANS DRAWN FOR FIRST JUAREZ CONCRETE HOUSE

The first invasion of Ciudad Juarez by the concrete building—the kind they stick together—is likely to occur at Comercio street and Lerdo avenue on property owned by George G. Sauer of El Paso. Plans being drawn will apply either to a structure of concrete or brick and concrete. It will be no skyscraper. The people of Juarez will not walk upstairs, as demonstrated by Mr. Sauer's two-story brick property at Comercio and Juarez avenue. Adobe buildings on the property were wrecked to allow for a widening of the street.

#### TORREON MAN BECOMES ILL AT UNION STATION

Charles Horstep, of Torreon, Mexico, fell at the union station Saturday morning after alighting from the Mexican National train and was taken to the police station, whence he was removed to the county hospital. He is a brother-in-law of R. L. Bennett, manager of the American Bank of Torreon, and came here for treatment.

#### Enjoys His Meals

For years Mr. W. B. Wright suffered all the torments of indigestion and could find no relief. Then Duffy's Pure Malt Whiskey cured him and he has been in the best of health ever since.

Mr. Wright wrote: "I suffered with indigestion for three years, and tried eight or ten doctors and every patented medicine that I heard of, and nothing did me any good. I could not eat anything without getting sick. Then I tried Duffy's Pure Malt Whiskey, and after using it one month I could eat and enjoy my meals, which I had not done for the past three years. I cannot recommend Duffy's Pure Malt Whiskey too highly." W. B. Wright, 1102 Beverly St., Richmond, Va.

#### Duffy's Pure Malt Whiskey

Indigestion and dyspepsia are the most common and most distressing of modern diseases, and are the causes of much ill health. If you are to get the proper nourishment from the food you eat it must be well digested and properly assimilated.

Duffy's Pure Malt Whiskey is a form of food already digested, and when taken just before a meal stimulates the mucous surfaces and little glands of the stomach to a healthy action, causing a sufficient flow of the gastric juice to digest the food and it promotes perfect assimilation. If continued it will cure the diseased or weakened function by its tonic and stimulating effect. It also excites the flow of saliva for the digestion of starchy food, preventing fermentation in the stomach and bowels.

Duffy's Pure Malt Whiskey is sold in SEALED BOTTLES ONLY by all druggists, grocers and dealers or direct, \$1.00 a large bottle. Look for the "Old Chemist" on the label. Medical booklet containing rare common-sense rules for health and testimonials, also doctor's advice, sent free to any one who writes.
